

Port Kembla Heritage Park Community Day

SUNDAY 25th FEBRUARY, 10AM

Would you like to learn more about the heritage and frogs of Port Kembla?

Join us at Port Kembla Heritage Park as Conservation Volunteers Australia team up with the Battery Museum for an informative day learning about our history and nature. There will be opportunities to plant grasses to improve the habitat of the Green and Golden Bell Frogs and guided tours through the Battery Museum.

This is a great event for the whole family!

The fun kicks off at **10am**, followed by a BBQ lunch at **12 noon**.

Proudly funded by the NSW Government, Port Kembla Community Investment Fund in association with NSW Ports and the NSW Environmental Trust.

Please RSVP with any specific dietary requirements!

02 4228 9246 or Wollongong@cva.org.au
